The ADAMS URL

Enter the ADAMS address in the URL box of your browser: <https://adams.wada-ama.org>

IMPORTANT: Always include the "s" in the https part of the site address.

The first time you access ADAMS, it is recommended to type the address as shown above, instead of clicking a URL hyperlink from a document. Clicking a hyperlink may have caused access issues in the past on some specific platforms and browsers.

The ADAMS Login

1. Enter the Username and Password you received from your ADAMS custodian organization and click the login button to enter the site

- Make sure that your CAPS LOCK key is not activated when you enter your password. If it is, a pop-up will remind you to turn it off
2. Enter the One-Time Password received either via SMS or generated by your App. Instructions to setup your Two-Factor Authentication can be found [here](#)
 3. Click Login

Providing contact details

As of March 13th, and following a successful login, ADAMS will be requiring all users to provide an email address and optional mobile phone number. The purpose being:

- To ensure that all users are able to request a temporary password from the system rather than having to contact their organization administrator (email).
- To provide an additional login method should users forget the answers to their Personal Verification Questions (PVQ) (Mobile phone number).

Providing your email address or mobile number

Problems Logging In

Incorrect Username / Password

If you enter an incorrect username and password combination once or twice, ADAMS will display an error message:

The screenshot shows the ADAMS login interface. At the top left is the ADAMS logo. To the right is a banner image of three athletes in action. Below the banner are two input fields: "User Name" and "Password". A red error message reads: "Please enter a valid user name and password combination". Below the message is a yellow "Login" button and a blue "Forgot Password" link.

Temporary Lock

If you enter an incorrect username and password combination at least three times in a row, ADAMS will lock you out for 60 minutes and display a message suggesting that you use the Forgot Password link:

The screenshot shows the ADAMS login interface. At the top left is the ADAMS logo. To the right is a banner image of three athletes in action. Below the banner are two input fields: "User Name" and "Password". A red error message reads: "Login problems? Please use the Forgot Password link below". Below the message is a yellow "Login" button and a blue "Forgot Password" link.

During that temporary lock period, entering the correct password will not work. However, you may contact your custodian organization or request a temporary password – see below.

Permanent Lock

If you enter an incorrect username and password combination at least nine times in a row, ADAMS will lock you out "permanently". At this stage you will have to contact your ADAMS custodian organization to have your password reset. The temporary password will not work if you are permanently locked out.

Forgotten User Names

Contact your ADAMS custodian organization if you forgot your ADAMS username.

Forgotten Passwords

You can click the "Forgot Password" link at the bottom of the ADAMS Login page, which will display the Forgot Password page:

Forgot your password? Please enter your username and email to start the password recovery process. This procedure will only work if your email is registered in your ADAMS profile!

If you forget your password, you have two options:

1. Request a Temporary Password: If your ADAMS profile contains your email address, you can request a temporary password through email. Simply enter your username and email address – the same as the one saved in your ADAMS profile – in the upper section of the screen, then click the submit button:

A new temporary password will be sent to the email address in your ADAMS profile shortly, and must be used within 24 hours. If you do not receive the email within the next 15 minutes, please contact your custodial organization.

ADAMS will then send you an email containing a temporary password, which you must use within 24 hours. If you do not receive an email within 15 minutes of submitting the request, verify your spam blocker if any – since the ADAMS email could have been intercepted – then contact your ADAMS custodian organization.

2. Contact your ADAMS custodian organization: Your ADAMS custodial organization can reset your status in ADAMS, and issue a new password if required. If your custodial organization is a NADO or a National Federation, you can find their coordinates in the lower section of the Forgot Password page: select the country from the drop-down box; if the organization is a National Federation, click the NF radio button, search the sport and discipline (enter a few letters and click the magnifying glass), select the sport and discipline; then click the search button:

The screenshot shows the 'Forgot Password' page with the following elements:

- Header: "If you don't know your User Name or don't have an email address in your ADAMS profile, please contact your sport organization to have your password reset."
- Form fields: "Country:" with a dropdown menu showing "SWITZERLAND", "NADO" and "IIF" radio buttons (IIF is selected), and "Sport-Discipline:" with a text input containing "athl" and a magnifying glass icon.
- Buttons: "search" (yellow), "select" (yellow), and "Cancel" (yellow).
- Search results: A list of sport/discipline options including "Athletics", "Athletics | Athletics", "Athletics | CISS Athletics", "Athletics | Combined", "Athletics | Cross Country", "Athletics | Discus Throwing", "Athletics | Field", and "Athletics | Indoor Athletics". The "Athletics | Field" option is highlighted in blue.
- Annotations: Red arrows point to the "Country:" dropdown, the "IIF" radio button, the "Sport-Discipline:" input, the magnifying glass icon, and the "select" button.
- Footer: "[back to login page](#)"

Changing the Password

ADAMS will prompt you to change your password:

- If you login to ADAMS with a temporary password, or
- On a regular basis, for security purposes.

Change password

- The current password cannot be reused.
- Password length must be at least 8 characters
