

How to enter Lab prices for methods and services?

Feeding the Lab Price Table from the ADMIN-BACKEND

1. Login as the Lab Administrator
2. Click the **Lab-name**

3. Go to the **Lab info** tab and the section *Laboratory Price Table*

The screenshot shows the 'Lab Info' tab selected in a navigation bar. The main content area is divided into several sections. The 'Laboratory Price Table' section is highlighted with a red box. It contains a form for entering the price list validity dates and currency, a note about taxes, and a table header for entering price data.

IRMS		List costs for all IRMS target substance if varied	✕
IGF-1 analogues			✕
GnRH (Gonadotrophin-releasing hormone)			✕
Documentation Package - A Sample		List time period to produce	✕

Blood-Serum add Method/Service

ESAs - Serum			✕
Growth Hormone (GH) Isoforms Method		List if min number of samples are required	✕
Growth Hormone (GH) Biomarkers Method		If not available list date of availability	✕
Insulins - Serum			✕
IGF-1 analogues - Serum			✕

Documentation Package - A Sample - Serum			
<hr/>			
Blood-Whole Blood			
		add Method/Service	
Haemoglobin Based Oxygen Carriers (HBOCs)			
Homologous Blood Transfusion (HBT)			
ESAs - Blood Plasma			
Athlete Biological Passport (ABP)			
Blood Passport Documentation Package			
Documentation Package - A Sample - Blood Plasma			
<hr/>			
B Sample Analysis			
		add Method/Service	
Qualitative			
Quantative			
IRMS - B Sample		List targeted substances if varied	
ESAs - B Sample			
GH			
B Sample Documentation Package		List time period	
<hr/>			
Other Services			
		add Method/Service	
Long Term Sample Storage		List price per year. If price varies based on volume then list here or insert new rows.	
APMU Services - Haematological / Steroid Profile		If not available list date of availability. Price may be by sample and/or per athlete or number of Athletes.	
Laboratory Expert Opinion			

4. Complete the **Price Table** and enter: *validity period of the price list (start/end date)*, *the currency (free text)*, *the analytical method/service (free text, yet has to be unique within the Lab)*, *the price per sample/service (decimal number)*, *any comments to that method/service (free text)* and finally, applying to the price table as a whole *the Price table remarks (free text)*. If desired, click the button **add Method/Service used** to open an empty record line under a category in order to enter the price information for a method/service that is offered beyond the standardised menu.
